

BIG RIG

SUPER STRENGTH TRUCK WASH

BENEFITS

- Industrial strength liquid concentrate
- Will not harm aluminium
- Fast 'quick break' cleaning power
- Designed for heavy earth working equipment
- Ideal for use by fleet operators or commercial service establishments
- Can be applied manually or through pressure-washing equipment

DESCRIPTION

Big Rig is a concentrated detergent used to remove severe road grime and dirt from trucks, large vehicles and equipment. The product's 'quick break' removes grease and grime fast. Washing time is greatly reduced through this leading edge technology.

Big Rig's biodegradable formula confirms RST's commitment to the environment.

It is effective against:

- Road grime and dirt
- Grease
- Salt residue
- Exhaust and soot

APPLICATION

Big Rig is diluted at 40:1 through standard pressure-washing equipment, or alternatively you can make a 40:1 solution and spray, sponge or mop on, wait and then rinse off.

HEALTH, SAFETY, ENVIRONMENT AND THE COMMUNITY (HSEC)

RST strives, through a process of continuous improvement, to fully integrate health, safety, environmental and community (HSEC) consciousness into all aspects of its activities
