

D-GREASER

HIGH PERFORMANCE, ENVIRONMENTALLY SAFE, WATER BASED

BENEFITS

- Leading edge water based technology
- Ultra-fast acting
- Fully biodegradable
- Effective on all grease, oil and fats
- Multipurpose
- Environmentally safe
- User friendly

DESCRIPTION

D-Greaser is an optimal blend of high performance surfactants, complexing agents and pH modifiers. The product has been developed and manufactured as an environmentally safe, water based degreaser to replace hazardous chemical solvent based degreasers.

Degreaser is a multipurpose, Industrial strength, solvent replacement Degreaser with a wide range of applications.

D-Greaser can be used in the following applications:

- Engine and machinery degreasing
- Marine degreasing
- Cleaning petroleum based soiling
- Degreasing garage and workshop floors

APPLICATION

Follow the recommended dosage rates for your application and apply the diluted D-Greaser solution to the application area, allow to work for a few minutes and then remove.

HEALTH, SAFETY, ENVIRONMENT AND THE COMMUNITY (HSEC)

RST strives, through a process of continuous improvement, to fully integrate health, safety, environmental and community (HSEC) consciousness into all aspects of its activities
